

QPS ONCOLOGY EXPERIENCE FULL SERVICE CRO SUPPORT

QPS is a leading full-service global CRO with extensive experience conducting research, offering comprehensive services to ensure successful drug development. Our experienced and dedicated global team provides unmatched support, from preclinical studies to bioanalysis and all phases of clinical trials.

WHY CHOOSE QPS FOR ONCOLOGY STUDIES?

1. Expert Global Team

- ▶ **Specialized Expertise:** A dedicated framework of oncologists, clinical research coordinators, project managers, and data analysts.
- ▶ **Patient-Centric Approach:** Powerful associations with study sites across USA, Europe, and Asia and innovative patient recruitment strategies.

2. State-of-the-Art Facilities

- ▶ **Advanced Bioanalysis Laboratories:** Equipped with cutting-edge technology for precise method development and assay execution.

3. Comprehensive Services

- ▶ **End-to-End Support:** From preclinical studies to bioanalysis, and protocol development to regulatory submissions, QPS handles every aspect of your oncology study.

4. Proven Track Record

- ▶ **Successful Trials:** QPS has successfully conducted a wide variety of Phase I - IV oncology studies around the world.
- ▶ **Broad Range of Cancers:** Including breast, head & neck, lung, and prostate cancer.
